

2.08 Volunteer Clothing Policy

Golf Ontario (GO) is committed to providing volunteers with access and subsidy to clothing that reflects the business we are in while promoting the image of Golf Ontario. The following information outlines the clothing policy and guidelines for GO volunteers and the process through which this clothing can be purchased.

Clothing will be purchased and distributed by staff through GO's clothing sponsor, with the price to the volunteer to cover wholesale + shipping + logo costs. Volunteers will indicate which subsidy category applies to them on the clothing order form which will be verified and approved by GO's office. Volunteers will be contacted if there are any subsidy discrepancies. **All items are subject to supplier availability – some quantities may be limited.** Volunteers are responsible for shipping charges.

All volunteers of Golf Ontario are required to adhere to the clothing guidelines as required.

The “**Working Uniform**” for Golf Ontario volunteers consists of the following:

- White Shirt with Golf Ontario crest
- Black Golf Pants, Skirt, Shorts or Skort
- Rain Jacket with Golf Ontario crest
- Golf Ontario Baseball Cap
